TECHNOSERVE

BUSINESS SOLUTIONS TO POVERTY

This document constitutes a Memorandum of Understanding (MoU) between Ashwattha Advisors Private Limited (AAPL) and Sheth NKTT College of Commerce and Sheth JTT College of Arts, Thane

Background

Ashwattha Advisors Private Limited (AAPL), which is a wholly-owned subsidiary of TechnoServe Inc. is conducting a "Youth Employability Program" for enhancement of employability and workplace skills for deserving youth.

SHETH TJ EDUCATION SOCIETY'S SHETH NKTT COLLEGE AND SHETH JTT COLLEGE, THANE an educational institution having its premises at Ganpat Jairam Kharkar Ali Marg, Thane West, Maharashtra, 400601, through the principal of the institute (HEREIN AFTER CALLED SECOND PARTY)

In this connection, AAPL intends to be associated for Five Years and work closely with Sheth NKTT College of Commerce and Sheth JTT College of Arts to conduct employability training and career counseling sessions for the final year college students. This will include activities through the year, till students are placed 10-12 months after their final year examinations. The features of the program are as follows:

- 100-hour program including Personal effectiveness (goal setting, interpersonal relationships), Personal Finance, Professional effectiveness (how to choose right career option, how to apply for job, tools-CVs, cover letter- etc.), Business communication (effective communication with co-workers and customers), Career Readiness (orienting students to jobs matching their skill sets and exposure to a career path) and Work Readiness (Professionalism, Work Ethics, Email Etiquettes, Workplace dynamics - etc)
- 60 hours of training will be delivered in class and 40 hours of mandatory training will be available to students on Techno Serve's proprietary online learning platform. The program also includes individual student counselling during the program, post training, pre-placement and also post placements.
- There is no cost for students to attend above mentioned training
- Each training batch size will be a maximum of 45 students. Sessions of duration 2 hours each to be conducted 5 days/week. Trainings to be conducted for 2 or more batches in one day through one Techno Serve trainer
- Counselling support is available on training days for providing career guidance to students who are enrolled in this program.
- Students will be provided a certificate on successful completion of course with a minimum attendance criterion of 90%
- Students will be further supported in job linkages and placements from the time of training completion till they are placed i.e. 6-10 months after their training is complete.
- College is expected to support the successful training and placements of all students, should they take up this service with Techno Serve.

For this purpose, AAPL requires support of the college in the following areas:

1. Facilitating discussions and engagement with the third year degree students and graduates. This involves the following:
 - a. Assistance in batch scheduling with ongoing final year classes.
 - b. Support in allocating batches (of 40-45 students approximately) per trainer for optimum utilization of resources and training effectiveness.
2. Infrastructure support for the following:
 - a. Training facility (a training room where 45 students could be trained). Training methodology requires some space in the middle of the room for conducting student activities.
 - b. Space for the career counsellor/ trainer who would be available in college on days of training.
 - c. Availability of classroom to conduct 2-3 refresher sessions with students before the pre placement begins in the months of December-February.
 - d. Projector and speakers on need basis which are required to conduct few video based sessions.
 - e. Require college support to conduct a Parent engagement session in the college premises.
 - f. Provide 100-200 students for training whom TechnoServe will screen.

TECHNOSERVE

BUSINESS SOLUTIONS TO POVERTY

Upon a request by AAPL for this support, Sheth NKTT College of Commerce and Sheth JTT College of Arts has agreed to support and provide the appropriate assistance to AAPL, as mentioned below. Based on the above, this MOU lays out immediate next steps to be taken by both parties.

AAPL agrees to -

1. Conduct Orientation sessions to make students aware about the program and register their interest.
2. Engage with students and form batches based on selection criteria for conducting the training program.
3. Conduct the Employability Skills training program in College premises.
4. Provide career counselling support to students enrolled in this program.
5. Facilitate further linkages with vocational training partners and employers for interested students.
6. Bi-weekly placement reports and monthly placement reports of students linked to job opportunities will be provided to the college once placement activities commence.
7. Helpline facility will be provided to the students to address their queries during training, post training and post placement.

Sheth NKTT College of Commerce and Sheth JTT College of Arts.

1. Make classroom(s) available to train students in batches of 40-45, which should be ideal to cover 2 batches per day. If more students express interest for this period, we may create another batch after this batch. The classroom should be equipped with board and AV system when required.
2. Make table space available for career counseling.
3. Providing one contact point who could be approached for any support (student engagement) related to this program.
4. This MOU does not commit any financial expenditure from or for either party.

TNS INDIA FOUNDATION

This document constitutes a Memorandum of Understanding (MoU) between TNS India Foundation (TNSIF) and Sheth NKT College of Commerce and Sheth JTT College of Arts, Thane, Mumbai for a 2 year period between 2020-2022.

Sheth NKT College of Commerce and Sheth JTT College of Arts, Thane, Mumbai managed under the Sheth T. J. Education Trust affiliated to the University of Mumbai, Mumbai, Maharashtra, registered under The Maharashtra Public Trust Act, 1950 and hereinafter referred to as "The College", having PAN AABTS5158E located at Kharkar Alley, Thane West, Maharashtra 400601 represented by its Principal, Mr./s. Dr. Dilip Patil.

AND

TNS India Foundation, a charitable organization registered under section 25 of the Companies Act 1956 and having its registered office at B1-201, Centre Point, Opposite Bawla Masjid, 243A, N M Joshi Marg, Lower Parel (E), Mumbai-400 013, hereinafter referred as "TNSIF", represented by its Director, Punit Gupta.

Background

TNS India Foundation (TNSIF), a section 25 Company incorporated under the provision of The Companies Act, 1956 is conducting a "Campus to Corporate Careers (C2C) Program" for enhancement of employability and workplace skills for deserving youth.

In this connection, TNSIF intends to be associated and work closely with the College to conduct employability training and career counseling sessions for the final year college students. This will include activities through the year, till students are placed 10-12 months after their final year examinations. Features of the program are as follows:

1. 55 - 80 hours of training program including Personal Effectiveness (goal setting, interpersonal relationships), Personal Finance, Professional effectiveness (how to choose right career option, how to apply for job, tools-CVs, cover letter- etc.), Business communication (effective communication with co-workers and customers), Career Readiness (orienting students to jobs matching their skill sets

and exposure to a career path) and Work Readiness (Professionalism, Work Ethics, Email Etiquettes, Workplace dynamics – etc.)

2. 55 - 80 hours of training will be delivered via Blended Learning approach i.e online mode using platforms like Zoom and in class training. A few hours of additional training will be available to students on TNSIF's proprietary online learning platform. The program also includes individual student
3. counselling during the program, which will be conducted via Online/Offline platforms, as well as post training, pre-placement and post placement counselling.
4. Training or post training interaction sessions will be conducted in the college premises when TNSIF and the College deem fit.
5. There is no cost for students to attend the above mentioned training.
6. Each training batch size will be about 30-35 students. Sessions of duration 2 hours each to be conducted 5 days per week. Training to be conducted for 2 or more batches in one day through one TNSIF trainer.
7. Counselling support is available on training days for providing career guidance to students who are enrolled in this program.
8. Students will be provided a certificate on successful completion of course with minimum attendance criteria of 90%.
9. Students will be further supported in job linkages and placements from the time of training completion till they are placed i.e. 6-10 months after their training is complete.
10. College is expected to support the successful training and placements of all students, should they take up this service with TNSIF.

For this purpose, TNSIF requires support of the college in the following areas:

1. Facilitating discussions and engagement with the current third year degree students and graduates wherever feasible. This involves the following:
 - a. Assistance in student mobilization and batch scheduling with ongoing final year classes.
 - b. Support in allocating batches (of about 30-35 students approximately) per trainer for optimum utilization of resources and training effectiveness.
 - c. Provide assistance w.r.t. conducting career fests drive and continued student participation.
2. Infrastructure support for the following:
 - a. Availability of classroom to conduct post training engagement sessions and refresher sessions as and when required once the situation normalises.
 - b. Require college support to conduct a Parent engagement session in the college premises or via Online Platform.

Upon a request by TNSIF for this support, **the College** has agreed to support and provide the appropriate assistance to TNSIF, as mentioned below.

Based on the above, this MOU lays out immediate next steps to be taken by both parties.

TNSIF agrees to -

1. Conduct Orientation sessions to make students aware about the program and register their interest.
2. Engage with students and form batches based on selection criteria for conducting the training program.
3. Conduct the Campus to Corporate Careers Program using online platforms.
4. Provide career counselling support to students enrolled in this program.
5. Facilitate further linkages with vocational training partners and employers for interested students.
6. Placement reports of students linked to job opportunities will be provided to the college once placement activities commence.

The College agrees to -

1. Facilitate the dissemination of information regarding the C2C Program to the final year or recent graduates and help TNSIF to mobilise students.
2. Permit Online sessions to be conducted via Zoom or any application deemed appropriate.

1. Providing one contact point who could be approached for any support (student engagement) related to this program.
2. This MOU is neither a contract, nor is it legally binding in any way, nor does it commit any financial expenditure from or for either party.

Hello Mam,

This is Ankita kale. I have trained NKTT students for the C2C program of Technoserve. I am attaching two PDFs for student attendance and the content covered in the program.

Following students completed their training on 04/01/2022 and they will soon be part of the placement process.

Let me know any further information is needed from my side.

Thank you.

About the workshop

'jamovi's a new free, open-source statistical software for data analysis to bridge the gap between a researcher and statistician. The menus and of 'jamovi' are designed to simplify the transition from other softwares and is an alternative to paid statistical packages like SPSS and SAS. The R platform in jamovi is a great feature to learn how to develop Apps and therefore good for employability. 'jamovi' is a clean, human friendly design that facilitates insight into the data and makes the sharing of research work easier.

Objectives

- ❖ To provide an understanding of basic statistical methods required for research
- ❖ To enrich the knowledge in open-source software 'jamovi'
- ❖ To provide step by step procedure to analyze the data by using 'jamovi'

Expected Outcome of the Workshop

- ❖ The participants will be able to identify appropriate statistical methods for their research.
- ❖ The participants will be able to apply 'jamovi' in their research to refine, analyze and visualize the data to get critical insights.
