About the College

Sheth N.K.T.T College of Commerce, established in August 1990, was further expanded in 1993 with the addition of Sheth J.T.T College of Arts, evolving into a distinguished multi-faculty higher education institution. Currently, the college has an enrollment of approx 4800 students.

The college has been recognized for its commitment to excellence in education, reaccredited with a B++ Grade (4th Cycle, CGPA-2.91) from the National Assessment and Accreditation Council (NAAC). Additionally, it has been conferred autonomous status, effective from the academic year 2024-25, further enhancing its reputation as a premier institution.

The institution offers a diverse range of programs, including 14 undergraduate (UG) programs and 7 postgraduate (PG) programs, catering to both traditional and emerging fields such as B.Sc. (Data Science), B.Sc. (AI and ML) and B.Sc. (Computer Application), B.Sc. in Fashion Design, B.Sc. in Interior Design, B.Sc. in Cloud Computing, B.Sc. in Cyber Security (Certified by Delloitt), PGDSAI (Post Graduate Diploma in Statistics with AI), B. Com (Banking and Insurance) + CFP (Certified Financial Planner). Additionally, the college provides 30+ skill-based, value added and diploma courses aimed at equipping students with practical and industry relevant skills.

The college also has two Research Centers in the disciplines of Commerce and Economics, fostering a strong research culture. Furthermore, it features a state-of-the-art Incubation Centre, sanctioned by MSME, which offers entrepreneurs access to resources, mentorship and networking opportunities to bring their ideas to life.

The Learning Resource Centre (LRC), which serves as a knowledge hub, is fully automated with SOUL 3.0 software and enhanced by the integration of Dribit plagiarism detection software, providing robust support for research and academic excellence.

Additionally, the college has a well-equipped Gymkhana promoting physical and mental well-being through holistic practices and contributing to the overall development of its students and staff.

The college believes in strengthening its legacy of academic excellence by aligning traditional values with future-ready education. With autonomous status, a diversified program portfolio, and the introduction of industry-relevant courses, the institution is strategically positioned to meet evolving academic and professional demands. Its focus on research, innovation, skill development, and holistic well-being ensures the creation of competent, responsible, and socially conscious graduates. Moving forward, the college remains committed to fostering an ecosystem that nurtures intellectual growth, ethical grounding, and global competitiveness.

About the Conference

As India enters the eightieth year of Independence and advances towards the national vision of Viksit Bharat @2047, it is timely to undertake a critical multidisciplinary assessment of the country's achievements, challenges, and future trajectory. The proposed National Conference, 'Eight Decades of Independent India and Envisioning the Future' seeks to create an academic platform for rigorous discussion on India's constitutional, economic, social, cultural, psychological, and literary transformations since 1947.

The conference aims to bring together academicians, researchers, policymakers, legal experts, social scientists, economists, literary scholars, psychologists, sociologists, practitioners, and research scholars to examine how India has evolved over the past eight decades and identify evidence-based strategies for building an inclusive, equitable, sustainable, and knowledge-driven nation by 2047.

The discipline-specific sub-themes encourage scholarly engagement with constitutional governance, legal reforms, literature as a mirror of social change, mental health and well-being, changing social institutions, economic development, innovation, sustainability, and digital transformation. Together, they reflect the interconnected nature of national development and align with national priorities including the Constitution of India, the Sustainable Development Goals, NEP 2020, Digital India, Atmanirbhar Bharat, Startup India, Skill India and Viksit Bharat @2047.

The conference is expected to promote interdisciplinary research, policy dialogue, institutional collaboration, and publication of quality research with practical relevance. It will provide a forum for generating actionable recommendations that strengthen democratic values, social justice, human development, cultural continuity, and economic resilience. The deliberations will contribute meaningfully to academic discourse and support India's journey towards becoming a developed nation by 2047.

Objectives of the Conference

- To critically examine India's journey over the past eight decades by evaluating its achievements, challenges, and transformative developments across the fields of humanities, social sciences, law, economics, literature, psychology, and sociology.
- To promote interdisciplinary research and scholarly dialogue on contemporary national issues while exploring innovative ideas, policies, and strategies that can contribute towards the vision of Viksit Bharat @2047.
- To facilitate collaboration among academicians, researchers, policymakers, industry experts, legal professionals, and students for generating evidence-based recommendations that support inclusive, sustainable, democratic, and future-ready national development.
